JUDGMENT ON WRIT OF ENQUIRY.

Fall TERM, 1814

And now at this day, to wit, the Second Monday after the fourth Monday in October in the Year of our Lord one thousand eight hundred and fourteen come the said administrators by their Attorneys aforesaid, and pray that the said Daniel to the Declaration of them the said administrators may answer: And the said Daniel being solemnly called, come not, but make default, whereby the said administrators remain thereof against him undefended. Wherefore it is considered by the court now here, that the said administrators ought to recover against the said Daniel their damages by them sustained by reason of the premises: But because it is unknown to the Court what those damages are: It is therefore ordered, That the same be referred to the Clerk of the said Court, to ascertain the Sum actually due by the said Daniel to the said administrators pursuant to the direction of the act of the General Assembly of the said State, in such case made and provided; and the said Clerk thereupon having ascertained the same, and assessed the damages of the said administrators by reason of the premises, besides their costs and charges by them expended in and about prosecuting their suit in this behalf, to One hundred & fifty four dollars & 18 cents

THEREFORE it is considered by the Court now here, that the said administrators do recover against the said Daniel their damages so ascertained and assessed as aforesaid; and also Twenty three Dollars & 16/100 ~~[illegible] Dollars & 8[illegible] cents~~ for their Costs and Charges aforesaid, to them by the Court now here with his assent adjudged; which said damages, Costs and Charges, in the whole, amount to One hundred & Eighty dollars & 04 cents

and be the said Daniel in mercy, and so forth.
